ABDULWAHID ALI MOHAMMED AL-AGIL

Artificial Intelligence Engineer

Graduate of Islamic University of Minnesota — Master’s degree, 2026

Summary

Multidisciplinary Academic Researcher & Engineer
Ph.D. candidate in Political Science, holding a Master’s degree in Artificial Intelligence (IMU) and a Bachelor’s degree in Civil Engineering from Umm Al-Qura University (UQU). I possess a unique scientific and academic background that integrates analytical engineering logic, advanced AI-driven technical solutions, and a deep understanding of public policy and political systems. Based in Makkah, I aim to leverage this cross-disciplinary expertise in strategic planning, political data analysis, and academic research.

Work Experience

First Lieutenant 2008–2011
Northwestern Military Region - Saada Axis
Progressed through commanding military checkpoints and strategic positions, providing executive protection for leadership, and executing rapid tactical operations within the Special Tasks and Rapid Intervention Unit.

Education

Master’s degree 2026
Islamic University of Minnesota University verified
Computers and Information Technology · Data Science and Artificial Intelligence
Grade: **EXCEPTIONAL**

Bachelor of Science in Civil Engineering 2024
Umm Al-Qura University
