AHMAD MOHAMAD ALSISI

Accounting Manager

Graduate of Islamic University of Minnesota — Master's degree, 2026

Summary

Graduate of the Faculty of Economics, Damascus University, specializing in Accounting, and holder of a Master's degree in Accounting from the Islamic University of Minnesota Main Center. I also hold a Certified Zakat Accountant qualification from the International Zakat Organization.

I currently work as an Accounting Manager at one of the companies within the Daboul Industrial Group, with professional experience in accounting and financial management, and a particular interest in Islamic economics and Islamic accounting, including Zakat and Islamic finance.

My professional journey combines academic qualifications with practical experience, and I aspire to contribute to the development of sound accounting and financial practices while sharing knowledge and insights that bridge academic principles with real-world applications.

Work Experience

Accounting Manager

2010–Present

Daaboul Industrial Group

Progressed professionally in the fields of accounting and financial management, gaining extensive experience in accounting operations, financial reporting, and the preparation of financial statements and management reports. I have also designed and implemented accounting systems for several companies in Egypt, including affiliated companies within the group as well as external businesses, while overseeing their accounting operations and preparing and issuing their financial statements.
