AHMED MOHAMED TEHA

Operations Manager

Graduate of Islamic University of Minnesota — Bachelor’s degree, 2026

Summary

Management Information Systems (MIS) graduate with a Very Good grade (GPA: 4.5), combining academic knowledge and data analysis with hands-on field experience across the hospitality, logistics, and marketing sectors. Proven track record in branch management, operational oversight, and quality control within the coffee industry, complemented by advanced skills in supply chain operations and certified coffee roasting. Seeking to leverage my technical and managerial background to optimize operational efficiency and enhance customer experience in a dynamic work environment.

Work Experience

Coffee Quality Control and Management	2021–Present
Qidab Cafe	
The Coffee Quality Control and Management position at Qidab Cafe involves directly supervising overall quality standards for beverages and coffee beans. This ranges from monitoring roasting processes and evaluating roast profiles and flavor profiles to fine-tuning extraction parameters and ensuring the barista team strictly adheres to the cafe's standardized guidelines to deliver an exceptional and consistent customer experience.
