AHMED SALEM MOHAMMED BAKHASHWAIN

Graduate of Islamic University of Minnesota — Bachelor's degree, 2026

Summary

I have knowledge of the fundamentals of protecting systems, networks, and information from cyber threats and attacks. Throughout my studies, I gained an understanding of information security, network security, risk analysis, and vulnerability detection. I also learned the importance of data protection, managing digital threats, and responding to security incidents. I am eager to develop my technical skills, gain practical experience, and stay up to date with the latest technologies and developments in the cybersecurity field.
