ALZAHRANI, MOHAMMED MOUSA A

Equipment Operator Technician

Graduate of Islamic University of Minnesota — Master's degree, 2026

Summary

A Saudi national based in Jeddah with a distinguished 21-year career in the government and security sectors as an Equipment Operator Technician. Combines hands-on field experience and high discipline with continuous professional and academic development. Holds a Commercial Secondary Diploma in Accounting, a Computer Certificate from the Saudi Vocational Institute, a Bachelor's degree in Sharia, and a Master's in Business Administration (MBA), and is currently pursuing a Ph.D. in Business Administration at the Islamic University of Minnesota. Seeks to leverage leadership, educational, and administrative skills to make a qualitative contribution and advance organizational work environments.

Work Experience

Equipment Operator Technician 1991–2011
Royal Saudi Air Defense Forces
My experience as an Equipment Operator Technician involves operating and monitoring advanced technical equipment in strict compliance with military safety protocols and regulations. My duties included performing routine maintenance, conducting periodic inspections, and troubleshooting technical faults to maintain maximum operational readiness, while strictly adhering to security protocols and field instructions to ensure continuous operational efficiency.
