KHAULAH ABDULLAH ABDUSSUBHAN

Family counselor

Graduate of Islamic University of Minnesota — Master’s degree, 2025

Summary

I hold a Master’s degree in Family Counseling and a Bachelor’s degree in Educational Sciences, providing me with a strong academic background that combines educational and counseling perspectives. I am passionate about promoting family and social well-being and supporting individuals and families in addressing various challenges.

I possess strong skills in effective communication, active listening, understanding individual needs, and problem-solving. I aim to apply my knowledge and skills in a professional environment where I can contribute positively to families and the community while continuously developing my professional expertise in the educational and counseling fields.
